NORTHBOUND HODGE ROAD ON-RAMP ON I-15 TO CLOSE FOR 30 DAYS

BARSTOW– The California Department of Transportation (Caltrans) will close the northbound on-ramp at Hodge Road on Interstate 15 for 30 days beginning Sunday, July 11, 2004 at midnight.

Detour:

- ◆ **Proceed west on Hodge Rd. to the southbound I-15 on-ramp, turn left and proceed south on I-15 to the southbound off-ramp at Dale Evans Parkway. Exit and turn left to the northbound on-ramp at Dale Evans Parkway and proceed north on I-15.**

The ramp closures on this stretch of I-15 have been necessary for ramp reconstruction to accommodate the northbound I-15 widening from Victorville to Barstow. The \$120 million widening project is expected to be complete in January 2005.

Your patience is appreciated during this construction project. Keep alert, pay attention and watch out for irresponsible drivers when entering a highway work zone. Please slow for the cone zone.
